WE'RE GOING TO FORGET...

We're going to forget many of the things that made our high school days worth while; we'll lose some of the enthusiasm and eagerness we now have; and even a few of our cherished memories will be lost with the passage of time. It is the job of this TARGET to keep those memories living. Its purpose is to record the year's activities in such a way that the turn of each page will lead us back over the old paths, cause us to relive our experiences, renew old friendships, and in some small way recapture the moments that are gone. Let tomorrow come! Let MPHS, through the years, progress and expand beyond our recognition. All of us will glory in it. And now with the turn of these pages we can catch a fleeting glance of the MPHS we knew.

DEDICATION

GLEN HOFFMAN

After 42 years of teaching at M.P.H.S., Glen Hoffman is retiring in 1968. We at M.P.H.S. are very lucky for we have had Mr. Hoffman all of his teaching career. It has been "Pops" who has helped put the pep in Pep Club. It is with great pride that we the senior class of 1968 dedicate our Target to Mr. Hoffman. We all give our sincere thanks for the past and best wishes to him for the future.

Thespians' "Red Masque of Death" takes first-----again!

Boom Night was the kickoff for the Homecoming festivities. After the crackling bonfire and pep talks, Coach Evans announced the queen and her attendants. The joyful announcement was followed by an exuberant parade around the square. The following afternoon the beautiful "Parade of Floats" was led by the MPHS Band. Spirits rose after the game as Phyllis Stiefel sang the theme song "Chapel In The Moonlight." Till the roses turn to ashes and the moonlight fades to dusk," memories of the 1967 Homecoming will linger in our hearts.

PROM 67

Confucius said, "If a person does not say to himself 'What to do? What to do?' indeed I do not know what to do with such a person!"

In an Oriental garden, complete with cherry tree and tranquil pool, Seniors of 1967 enjoyed the "fruits of love and labor" offered by the Junior class.

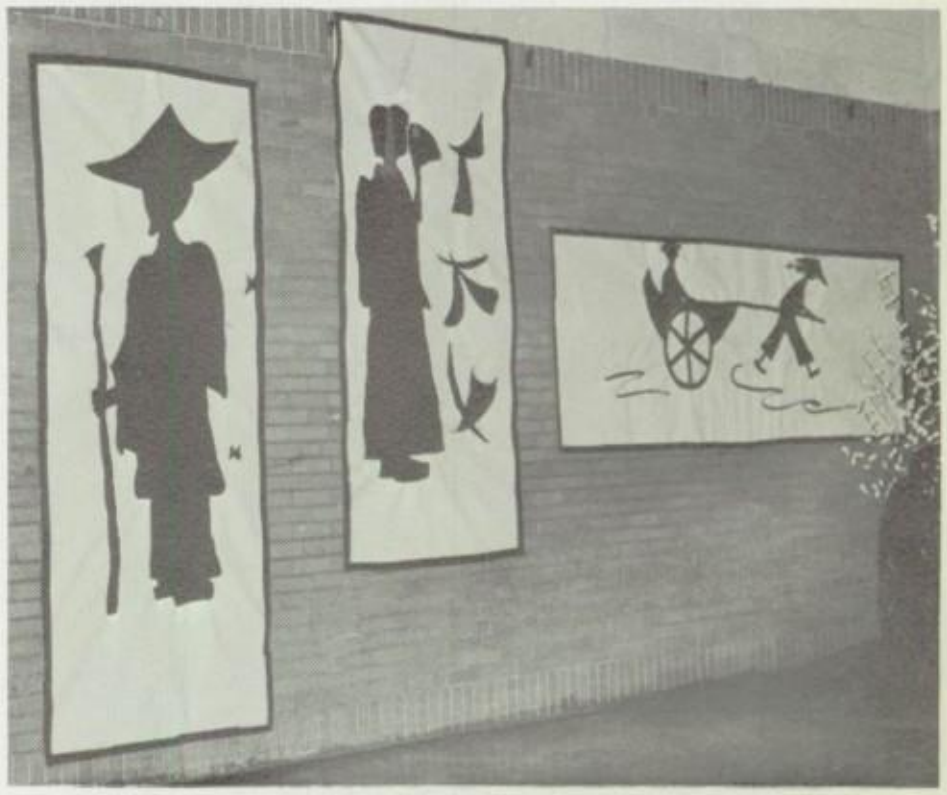
Following a sumptuous feast, couples strolled through the doorway of a spectacular pagoda and across the arched bridge to cool green brightened by pink blossoms. Stunning black and white silouettes of Chinese figures done by our Rotary exchange student, Jill Abbott, highlighted the walls.

"To hear our children recite the classics so fluently, like the sound of pouring water from a vase. Ah, is this not happiness?"-- Chin Shengt'an.

Wang Hsichih: "Here are gathered all the illustrious persons. . .all happy and contented, to the extent of forgetting that we are growing old."

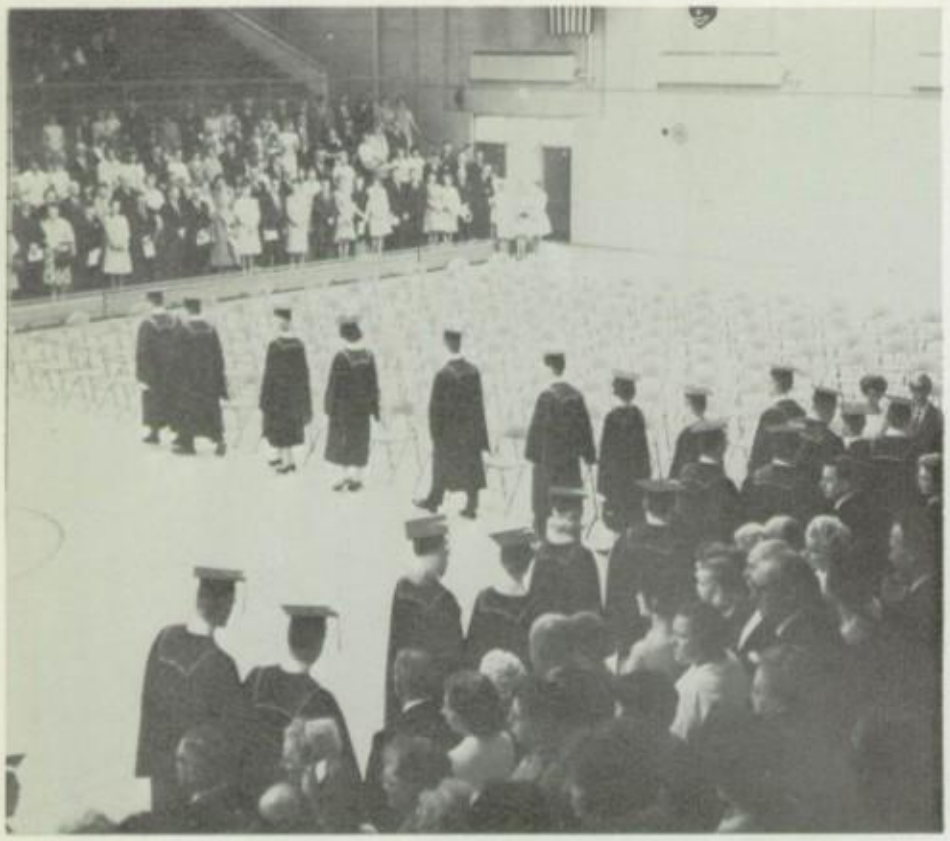
ORIENTAL GARDENS

"There the tree, happy of heart, grows marvelously green, and spring water gushes forth with a gurgling sound."--T'ao.



"Leisure in time is like unoccupied floor space in a room."--Paihsiang.

Laetse said, "When you go into the world, follow its customs."



"To reach the unreachable star---that is our quest."

TARGET STAFF

Staff members work on decorations in preparation for a great dance.

The keynote of the 1968 Target is "change." This is possible only through a varied staff. This year, membership on the Target staff was open to any senior. Since the Target is often considered the senior class's book, more students had a chance to enter their ideas and help make it "their" book. Work began last March after selecting a staff. Linnea Bergren, elected by the staff, took on the demanding position of Editor in Chief. Dorinda Crail served as Business Manager, and Carolyn Alvine and Kathy Norris assisted layouts. Although the staff found that deadlines come too soon, and there is a lot of work and responsibility involved, putting together "their" yearbook was fun and rewarding to those who gave of their talents and self. A sincere thanks goes to sponsor Mr. Ollivier for the many hours he has spent.

The MPHS NFL Chapter consists of Forensic students who have earned 25 NFL points. Other degrees awarded include: Honor-75, Excellence-150, Distinction-250.

The MPHS speech team, coached by David Giese, consists of thirty students who participate in numerous speech contests during the year. Lynn Roth is president of the MPHS NFL (National Forensic League) chapter, and Linnea Bergren is secretary. Categories in which students speak include: Dramatic, Oratorical, and Humorous Declamation, Extemporaneous, Original Oratory, Radio, Expository, and Interpretation of Prose or Poetry. The MHPS debate squad also travels with the speech team. The forensic season began Nov. 3 with a speech colloquy at Iowa City. Lorna Mehaffy, Vicki Biggs, and Connie Glover each took 2nd place in their events. At Keokuk, Penny Alter received 1st in radio speaking. Feb. 10th, MPHS took the first place sweepstakes at the Second Annual MPHS Speech Tournament. Linnea Bergren, Vicki Biggs, and Susie Harris each won 1st places. The speech team also participates in district and state contests of the Iowa High School Speech Assos. and the Iowa High School Forensic League.

DEBATE

Mrs. Traut

Ron Potts

The MPHS debate team, under the coaching of Mrs. Evelyn Traut, spends one period each day, working on cases and plans in preparation for speech tournaments and contests. This year's debate topic is Resolved Congress should establish uniform regulations in criminal investigation procedures. This topic provides for a wide area of argument and requires a great deal of preparation. Debate is truly the hardest areas of competition, but also the most rewarding.

HIGH SCHOOL INTERMISSION

Ron Potts-Sports Ed., Dave Peterson-Coordinator, Debi Rodd-Feature Ed., Janice Hoaglin-News Ed. A new attraction at MPHS this year is "High School Intermission." This consists of a ten minute program on the KXGI radio station every Friday at 4:10 during which news of the latest happenings at MPHS are reported. Mr. David Giese is the sponsor of this worthwhile activity which gives students interested in broadcasting valuable experience.

FUTURE TEACHERS OF AMERICA

Treas. Bev Meyers; Vice-Pres. Gary Garrels; Pres. Cindy Tweedy; (Row 2) District and local Historian Janie Swenson; Sect. Dorinda Crail.

Under the guidance of Mr. Statler, FTA has had many interesting activities during this past year. A Homecoming float was the first club project. In November, Janie Swenson was elected Historian at the District Convention- the third consecutive MPHS student to hold district office. Every FTA meeting consists of a guest speaker or a panel discussion. A few members attend the Prospective Teacher Day at UNI in Cedar Falls. Through student teaching and observation of the elementary schools, members explore possibilities of a teaching career. Only a sincere interest in the field of education is necessary for membership.

SCIENCE CLUB

Science Club, under the leadership of Mrs. Dora Lawrence, had a very interesting year at MPHS. Activities began early last summer with a field trip and picnic. After work on an outstanding Homecoming float, attention was turned towards Science Day- held at MPHS for the first year. Industrious club members held a school bake sale in order to raise money to furnish prizes in each of three grade levels. Mike Nichols, a sophomore club member, won first place in the senior division with his exhibit of the "Social Habits of Low Forms of Life." A trip to the Hawkeye Science Fair was the club's biggest event. The 1967 officers were- President Garg Brown, Vice-President Gary Garrells, Secretary Linnea Bergren, and Treasurer Vicki Mathews.

FUTURE FARMERS OF AMERICA

The primary aims of the Future Farmers of America are the development of agricultural leadership, cooperation, and citizenship. This year MPHS's FFA has been busy carrying out these aims. A pest control contest was sponsored during the month of December. Points were awarded to the groups destroying the most pests. The freshmen and sophomores were victorious and rewarded by an ice cream sponsored by the defeated juniors and seniors. Also some members of FFA are raising livestock projects to show at the Henry County Fair next summer. The chapter is planning a summer trip which they are financing by selling garden seeds and oranges.

FFA Officers

MATH CLUB

Math Club, sponsored by Mr. John Blake, is one of the newer organizations at MPHS. Meetings are held once a month. President Linda Kramer assumes the responsibility of leading the group through talks, discussions, and demonstrations on different mathematical theories, logarithms, analytical computers, and slide rules. Although Math Club remains rather small, it is one of the most helpful clubs in terms of academic value.

CREATIVE WRITING

Initiated by Roger Williams and now under his guidance, the Creative Writing Club provides students and faculty with the opportunity to develop their literary talents and even publish some of their works. Issued annually, the Creative Writing Anthology is a publication of the best poems, essays, and short stories submitted by MPHS students and their teachers. This year, the club is working on a new project with grade-school children. After listening to the jargon of these students, twelve members publish a special short story anthology for this age group. A versatile group, the club accepts all types of literary talent, even the most elementary.

LIBRARY CLUB

The Library Club, sponsored by Miss Knipfer, is an organization for girls who wish to participate as student librarians in our high school library. The club meets once a month. These girls help students find books and other information, and distributes magazines. They also maintain an attractive bulletin board in the study hall. The officers are: Pres. Sheila Newman; Vice-Pres. Peggy Milks; Secretary Bev Milks; Treas. Diana Woodsmall; Historian Colleen Rhum; and Publicity Chm. Rita Ross.

"Toward new horizons," the motto of the Future Homemakers of America, provides a constant challenge for its members to strive to achieve a better world for the children of tomorrow. FHA also strives, through programs and service projects, to give its members the experience necessary to build good homes for the future. Our local FHA chapter attends the district convention and sends two representatives to the state convention from which they bring home ideas to carry out the year's program. The theme for this year's program is "Twenty-one years foundation for citizenship," with emphasis placed on safety, beautification, and patriotism. The chapter has had projects and speakers in connection with this program.

Perhaps the most important factor in maintaining an outstanding school spirit at MPHS is the Pep Club. This club consists of 14 girls elected by the student body at the beginning of the year. Under the direction of Miss Hallowell, the girls work very hard to prepare locker decorations and posters for the halls. They share the work of concession stands at all home games, and take their turn in presenting skits at pep meetings. MPHS owes a great big "thank you" to the Pep Club, led by Pres. Karen Van Syoc and Vice Pres. Pam Edwards, for their many hours of devotion. Their bright gold jackets, worn with maroon skirts, add a touch of enthusiasm to the halls of MPHS.

The 1967-1968 school year proved to be extremely beneficial for the vocal music department.

MAROON AND GOLD

The Maroon and Gold Singers, under the direction of Mrs. Marabelle Magnuson, are composed of a select group of Mixed Chorus members. These talented singers practice every Tuesday and Friday fifth period.
The Maroon and Gold Singers are uniformly attired with the girls in gold crepe dresses and the boys in dark suits with a black, maroon, and gold tie.
They perform at both public and school functions. This year they sang for the Rotary Club and at various other social events. At school they made up the choir for "Christmas by Candlelight" at Christmas Vespers. Preparation for the Spring Concert began after this. The end of the school year finds the Maroon and Gold Singers performing at Baccalaureate and Graduation cermonies.
These singers are truly a great asset to the MPHS music department.

CONCERT BAND

The Mt. Pleasant High School Band began its year by electing officers: Co-captains: Pat Miller, Phyllis Stiefel; Lieutenants: Gary Garrels, Brenda Williams, Dennis Woline; Sergeants: Tom Galer, Lee Kochneff; Secretary, Mary Moureau; Assistant Secretary, Bev Hinkle.

Mr. Lowe is in his first year as band director at MPHS. Good performances resulted this year even though the size of the band has decreased. During the first week of school, the band performed at the Midwest Old Settlers and Threshers Reunion. Preparation began for contest where the band received a I at the Iowa State High School Marching Band Contest held at Wapello, October 14. At the home football games the band again executed carefully planned maneuvers.

The band members made their first appearance in their new band uniforms at Homecoming. These uniforms include maroon trousers, maroon tuxedo jackets with a gold MP on the pocket, and an overlay and white spats worn for marching band only. The back of the wool overlay is gold with a black panther while the front is off-white with a gold MP. Ten-inch gold furry hats with maroon tassels complete the uniform. Unfortunately these hats did not arrive until after marching band season.

More hard work by band members came upon placement for concert band. Basketball pep band and stage band were formed.

Bill Kochneff, the band's only bass player, was awarded the honor of playing in the Iowa All-State band. He appeared on television at Des Moines on Nov. 24-25.

January 13, the annual band carnival was held. "A Salute to Broadway" proved to be a success. A concert on January 30 was the first concert performance by the entire band. Several band members were members of the Southeast Iowa Honor Band sponsored by IWC.

The solo and ensemble contest, held April 5-6 again challenged the band members. This school year proved to be an extremely successful year for the MPHS band.

VARSITY FOOTBALL 1967

The 1967 Panther football team opened its season with a 20-0 win over Quincy Christian Brothers here on Sept. 15. On Sept. 22 the Panthers downed Ottumwa in a hard fought battle 20-12. Due to an injury in this game, Phil Zickefoose was out for the season.

The Panthers defeated the Washington Demons 25-14 for a mark of 3-0. Steve Brown ran 74 yards for the touchdown of his high school career.

The Panthers landed their first loss of the season when they were defeated by the Centerville Big Reds 20-13.

The fourth victory came when the Panthers, who racked up 21 points, held Davis County scoreless.

Keokuk downed the Panthers for their second loss of the season. Randy Russell, a Junior, went over for one of MPHS's touchdowns. The score was 34-14. Fairfield remained undefeated this season as they whipped the Panthers 27-0. The loss left Evan's team with a 4-3 record.

The Panthers lost their final tilt to the Ft. Madison Bloodhounds 27-6. Ken Welcher made the only MPHS touchdown. Welcher went back to punt, but the snap went over his head. Welcher picked up the ball and ran 102 yards for the six points.

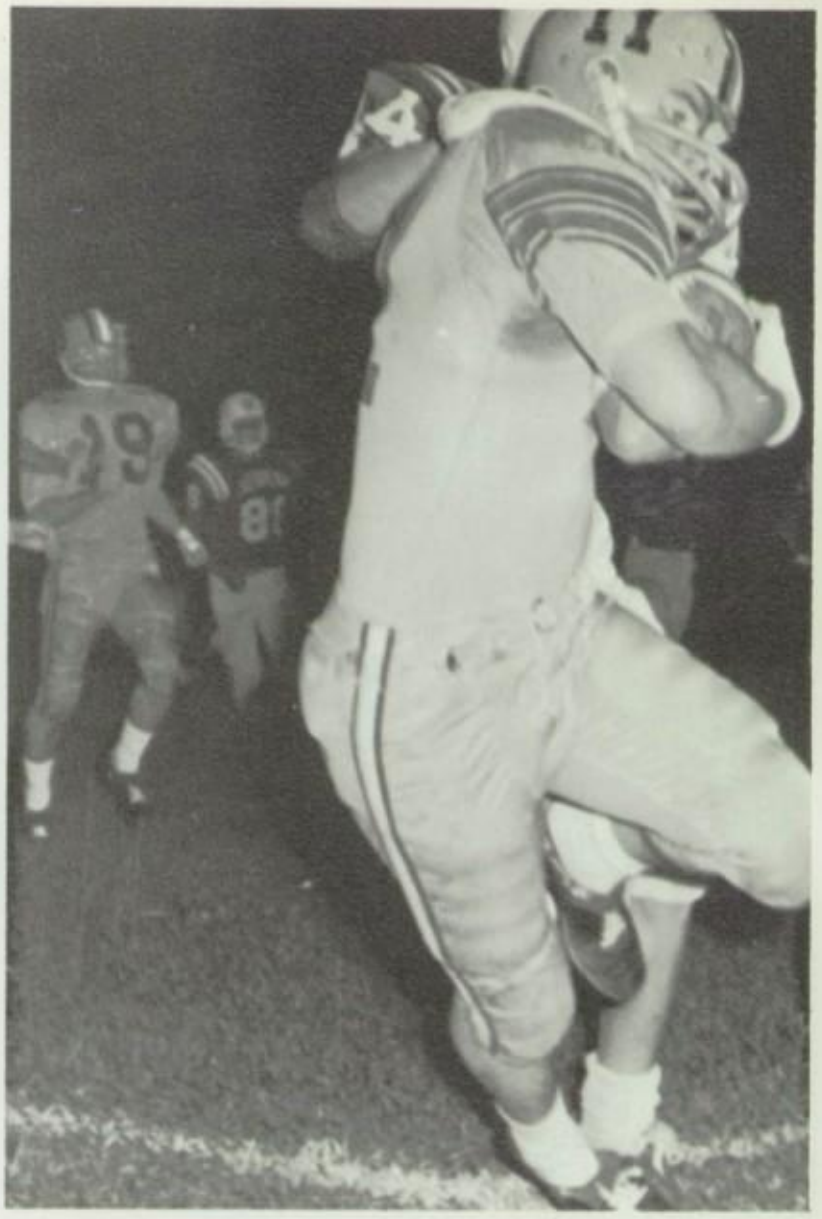
Although the season was not as successful as past years, it proved to be very exciting.

Boozer makes the touchdown of his career.

Henry leads the pack.

Beagle got the scent. The team "treed" the ball.

Welcher blocks for Deck.



Kelly is left defenseless.

Keith goes to the aid of Aicher.

SOPHOMORE FOOTBALL

The sophomore football team, under the competent coaching of Jerry Bush and Tom Young, completed a successful season this year with a record of five wins and two losses. This was a significant improvement over the members' last year record of 2-2-1. If this trend continues, the next year varsity team should have another outstanding year. Coach Bush is to be congratulated for the work he has contributed to the football program.

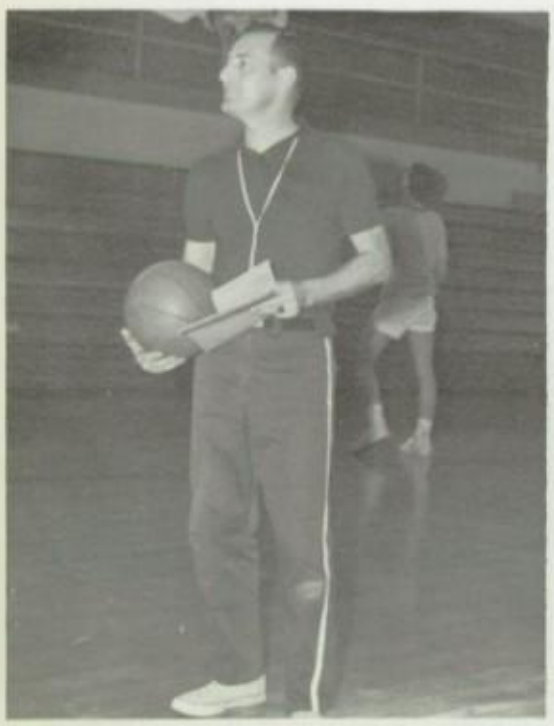
BASKETBALL 1967-1968



Coach Bush

MPHS was forced to settle for second place in the Southeast Six Conference with a 8-2 record. The regular season was finished with a 13-5 record.

The first game of the season was a non-conference loss to Keokuk 81-60. The Panthers made another attempt later in the season, but lost 57-52 in an overtime. The Panthers then topped Aquinas 61-43 and again later 60-54.

In other non-conference games the Panthers defeated the Nikes of Notre Dame 56-55 and again 76-71. It was a different story against Burlington. MPHS lost 73-66 in the first tilt, later to seek revenge by dumping Burlington 81-60.

MPHS won its first two conference games with Centerville 61-38 and Davis County 73-49. The Panthers then suffered their first conference game loss to Fairfield 78-66. The Panthers returned the defeat when they clobbered the Trojans 73-59. This ended Fairfield's perfect record. MPHS was twice victorious over Ft. Madison 70-58 and 77-51. Two more wins were over Centerville 79-58 and Davis County 72-35.

Then MPHS suffered its second conference loss with defeat to Washington 52-43. As before, the Panthers sought revenge as they clobbered Washington in the return tilt 74-61.

With the season at a close, Ron Potts won the individual conference scoring race and set a new loop season record of 250 points in ten games, a 25.0 average. This was Coach Bush's last year at MPHS. The offensive average of this year's team was the best of any of Bush's five teams here.

The best performances of Terry Lewis, MPHS forward, were 22 and 25 points against Notre Dame.

Ken Welcher, MPHS guard, had a high of 17 points in the Fairfield game.

Ron Potts, MPHS guard, was at his best against Ft. Madison with 34 and 39 pts.

Curt Rich, MPHS forward, rammed in 25 points against Washington.

Curt Moxley, MPHS center, scored 17 points in the Centerville game.

GOLF 1967

The 1967 season proved to be a successful one for the MPHS Golf Team, which was coached by Rober Evans. It started off with a bang by defeating Keokuk, Fairfield, Notre Dame, and Ft. Madison respectively. Jim Becker was medalist for the Panthers in all these matches.

The Panthers winning streak ended with a defeat to Burlington, in which John Roederer was low man. The linksters also fell to Washington. Becker was once again low. In the Fairfield Invitational MPHS finished in a tie for seventh. Curt Moxley turned in the best performance.

The MPHS golfers finished third in the Class AA Sectional Tourney held at Fairfield. Becker was low.

The Student Body
Mt. Pleasant High School
Mt. Pleasant, Iowa 52641

Dear Students:

The world we are preparing you to enter is not a simple one. Its problems are complex, yet not insoluble. It is the challenge of this complexity for which we are attempting to prepare you here at MPHS. We are doing this with the belief that while much has been changed, much remains the same. Reward still follows victory, application still produces success, and the most complex problems still yield to intelligent and persistent attack.

To acquire an education, you, the student, must put forth great effort--hard work as you strive to acquire knowledge and to develop the capacity for self-realization and the resulting ability to become an effective citizen in our changing society.

For us, the administration, it means doing all within our power to create an atmosphere in which the process of education can flourish. We do this by providing the best faculty, pleasant and adequate surroundings, and freedom for individual development. As long as we continue to regard this as a joint venture which students, faculty, and administration share responsibility, we will inevitably progress toward our goal of becoming a great high school. We have satisfaction because we are involved in this venture.

To you, the graduating class of 1968, may your past venture prove to have been a very important asset in the preparation for the life that will begin when you pass through our doors for the last time.

Sincerely and cordially yours,

The Administration

Student Council, the governing body of MPHS, is a group of students consisting of four elected students from each class, together with our foreign exchange students. The main purpose of the Student Council is to direct school activities, and create a better interest in school as well as serving as the spokesman for the student body concerning important decisions. A few of their many projects include Homecoming, AFS drive and assembly, selecting cheerleaders, and Bundle Days.

WALSWORTH
Marceline, Mo., U.S.A.

Dearest Deke,

Where do I begin to retell all the fond memories of our senior year. I think our friendship was started by our forensics trips and music. Who could forget all those speech meets and especially those fun trips and some you missed. Iowa City was really a gas especially our parties, card games, and our 2:00 A.M. tree climb. We weren't exactly under the influence of Goose so we really lived it up. The pizza was good and do you remember that good ole cheese dip Ugh! How morbid can you get? Poor ole Linus - his socks will never be the same. I don't think we ever had a dull moment. Remember ole MAGIC Fingers! So much for Iowa City.

Quartet was really fun. All our giggles really kept us going and Vic's stories about her new "unmentionables". May was something else too. I'll never forget Contest day we're so funny. Retarded was the word.
